Steel Auto Hite Cart 48-1/2 In. x 20-1/2 In. x 35-1/2 In. 800 Lb. Capacity Orange

MODEL SCSC-800-2040

Ergonomic Solutions / Self-Elevating Lift Carts

PRODUCT OVERVIEW

The self-elevating lift cart has an automatic height adjustment that provides ergonomic work positioning to increase productivity and decrease work related repetitive motion injuries. The unit has two (2) springs with a heavy-duty steel construction and a bolt-on handle. The unit rolls smoothly on poly-on-poly casters, two (2) rigid and two (2) swivel with brake standard.

KEY FEATURES

- Platform automatically moves down as weight is added and up as weight is removed for correct ergonomic heights
- Simple adjustable spring tension is variable for use with different types of loads
- Removable handle and casters convert cart into a stationary adjustable-height table
- Increases efficiency while reducing potentially harmful bending and twisting motions
