Storage Solutions / Horizontal Sheet Rack

## PRODUCT OVERVIEW

This horizontal sheet rack is designed for storage of sheet goods and similar materials. Storing items flat reduces warping of thin materials. With two standard shelves, this design allows for generous storage of multiple thicknesses of materials. Four (4) sided access when using four (4) foot by eight (8) foot sheet or smaller. Supplied with lag down points.

## KEY FEATURES

- Unique design offers four sided access
- Wide shelves for storing a variety of different sizes
- Supplied lag down points make installation quick and easy
- Steel construction offers highly efficient and durable use
