Aluminum Stock Picker with Steel Ladder 52 In. x 27-7/8 In. x 50-3/16 In. 1000 Lb. Capacity

MODEL SPA3-2848

Industrial Carts & Dollies / Stockpicker Trucks

PRODUCT OVERVIEW

Combine the mobility of a cart with the versatility of a step ladder with this stock picker truck. Convenient spring loaded steel step ladder holds the cart securely in place while a person is standing on the ladder. Crutch tip ladder prevents the cart from moving while stocking. Springs then return the ladder to the raised position once personnel exit the step. All shelves have the lip turned up to prevent items from falling off. Ladders have a baked in silver powder coated finish.

KEY FEATURES

- Welded aluminum construction is strong and lightweight
- Spring-loaded steel ladder lowers to ground when stepped on for safety
- When weight is removed the ladder raises automatically
- Turned up lip on shelves prevents items from falling off
