Steel Standard Duty Cantilever Single Sided Upright 6 Ft x 24 In. Arm Blue Set

MODEL SU-C-6-24-SET

Storage Solutions / Cantilever Rack Kits

PRODUCT OVERVIEW

The Cantilever racks are ideal for eliminating storage problems. The steel constructed design allows for quick and efficient handling by forklift or by hand. The rack includes pre-drilled holes, adjustable arms for access to variable heights, and front lipped arms to prevent items from falling. Available in both single sided and double sided units with the option of standard, medium, or heavy duty construction. *Capacity is per level.

KEY FEATURES

- Create more floor space by adding arms
- Provides extra floor space
- Organize material in vertical position
- Durable design throughout daily use
