Steel Ergonomic Hand Held Stretch Wrapper Black

MODEL SW-HAND-BG

Packaging Equipment / Hand Held Stretch Wrappers

PRODUCT OVERVIEW

The hand held stretch wrapper is a lightweight, freewheeling dispenser that maintains precision tension control that insures a tight, smooth application. The ergonomically handle reduces both bending and fatigue, while allowing operators to apply the bottom row of wrap just as tight as the top.

KEY FEATURES

- 8" maximum roll diameter
- Foam covered steel handle
- Two handled design
- Operators can apply the bottom row just as tight as the top
