Steel Heavy Duty Side Winder Pallet Truck 3,000 Lb. Capacity Red

MODEL SW-PJ

Ergonomic Solutions / Side Winder Pallet Truck

PRODUCT OVERVIEW

The side winder pallet truck can transport long loads down narrow aisles. This versatile pallet truck retains all the quality workmanship of a standard pallet truck in addition to providing lateral movement. Simply place the forks into the pallet then elevate to approximately seven (7) inches, rotate handle, and lock detent into place. The second set of rollers, right/left, are actuated. Now push the side winder perpendicular to the traditional direction.

KEY FEATURES

- Transport long loads down narrow aisles
- Pallet elevates to 7" and locks detent into place
- Second set of rollers, right/left, are actuated
- Side winder pushes perpendicular to the traditional direction
