Factory Installed AC Powered 115 Volt Single Phase Unit For Stretch Wrap Machine SWA-54 And SWA-60

MODEL SWA-5460-PMO

Packaging Equipment / Medium Duty Powered Stretch Wrap Machines

PRODUCT OVERVIEW

The power mast option is a great addition to the powered stretch wrap machine. The mast option allows the wrap machine to be updated to an ac powered unit. The AC upgrade gives the user a more constantly stable power source throughout daily use.

KEY FEATURES

- Wrap products more efficiently
- Ergonomic design minimizes bending and twisting
- Promotes quicker shipping times
- Allows the unit to rotate in variable speeds
