Aluminum Telescopic Ladder 10 Ft. 250 Lb. Capacity Silver

MODEL TLAD-10

Industrial Ladders / Aluminum Telescopic Ladders

PRODUCT OVERVIEW

The Aluminum telescopic ladder is ideal when storage space is limited. The lightweight and low profile design allows for storage in closets or tight spaces. Each step is serrated and has a spring loaded locking pin that automatically engages to secure step height. The release mechanism provides a smooth automatic closing design. Top bumper guards and molded rubber feet protect walls and floors against scratches.

KEY FEATURES

- Design allows for storage in closets or tight spaces
- Spring loaded locking pin automatically engages to secure step height
- Release mechanism provides a smooth automatic closing
- Bumper guards and molded rubber protects walls and floors
