Stainless Steel Tilt Master DC Powered 12 Volt 2,200 Lb. Capacity Silver

MODEL TM-22-DC-SS

Ergonomic Solutions / DC Powered Tilt Master

PRODUCT OVERVIEW

This DC powered tilt master is the perfect upgrade to the always reliable classic. The battery operated electric lifter and tilter is designed to give the user an ergonomically correct position to reach loads easily without the need for bending down or excessively reaching over. Lift, tilt, and transport crates, boxes, and pallets with an open bottom. rolls smoothly on nylon swivel casters with brake and foot protectors. Handle can be turned and locked in position away from the work area. The many amenities include a standard hand control for the tilt, an emergency on/off switch and an external battery charger. The stainless steel construction provides strength and durability throughout a lifetime of daily use.

KEY FEATURES

- Stainless steel construction for a smooth finish and cleanliness
- Tilt angle allows for better ergonomic access
- Ergonomic push handle folds down when not needed for better access
- Powered for efficient mobility
