Plastic Truck Mesh Sides with Floor Brake 36-1/4 In. x 20 In. x 33-1/2 In. 330 Lb. Capacity Blue

MODEL TRP-1827-M-FB

Industrial Carts & Dollies / Low Noise & Light Weight Plastic Platform Trucks

PRODUCT OVERVIEW

The plastic platform cart is a great addition to the shipping and distributing facilities. The plastic platform creates a durable, yet lightweight construction that can be transferred simply from workstation to workstation. The unit rolls on casters for smooth transference over a variety of terrains, while the side nets enable the utmost security. The attached handle creates a more ergonomic posture of personnel during use, while the brake keeps the unit steady when not in progress.

KEY FEATURES

- Plastic construction for durability
- Foot brake for steadiness during loading and unloading
- Mesh sides for extra security
- Casters for smooth rolling
