Steel Multi-Tier Cart with 2 Shelves 200 Lb. Static Capacity Blue

MODEL TSCT-2

Industrial Carts & Dollies / Multi-Tier Stock Carts

PRODUCT OVERVIEW

This unique multi-tier stock cart makes it easy to organize and reach parts. Tilting shelf allows easy access to baskets. Ideal for stocking parts in work stations. Casters allow the parts to be moved to wherever they are needed. Shelf angle is locked with a single handle design easier on the hands and allows user to apply more torque for a tight grip, handle is also "indexable" allowing for operation similar to a ratchet. Shelves include a lip on all four sides. The vertical uprights knock-down for more convenient shipping and storage. Overall cart size does not include baskets. Rolls smoothly on casters. Steel construction with a powder coat finish. Baskets not included.

KEY FEATURES

- Tilting shelf design allows easy access to baskets
- Vertical uprights knock-down for convenient shipping and storage
- Casters allow the parts to be moved where needed
- Shelves include a lip on all four sides for added safety
