Steel Pipe Railing Barricade Base With Wheels Yellow

MODEL VDKR-BB-W

Protective Barriers / Steel Safety Railings

PRODUCT OVERVIEW

The barricade base with wheels is perfect for walkways and heavy foot-traffic areas. The base can be used with a new or existing safety handrail. The wide footprint gives increased stability to the handrail and its components. A simple connecting ability allows the user to secure in place and benefit from its added durability immediately. The flat bottom surface lets the unit be maneuvered while still maintaining its steadiness.

KEY FEATURES

- Pre-drilled lag down points saves time with installation
- Powder coat safety yellow finish provides durability and protection
- Heavy-duty steel pipe hand railing can be used in multiple application areas
- Sold in pairs with hardware included
