Galvanized Steel Double Socket Without Toe Board For VDKR Models

MODEL VDKR-W-102

Protective Barriers / Steel Safety Railings

PRODUCT OVERVIEW

The double socket is the perfect accessory for mounting railing to a designated surface. A durable steel construction and pre-drilled mounting holes make it strong throughout the adverse conditions of changing seasons. The simple set up allows for immediate use. Galvanized finish.

KEY FEATURES

- Pre-drilled mounting holes
- Solid construction for outdoor use
- Two railing capacity
- Tight fit for stability
