Steel Vertical Drum Lifter 55 Gallon Drums 1,000 Lb. Capacity Yellow

MODEL VDL-22.5

Drum Handling Equipment / Vertical Drum Lifter

PRODUCT OVERVIEW

The vertical Drum Lifter provides for easy lifting and transporting of drums. Solid steel construction. To use, simply lower unit onto the drum and as the lifter is elevated the positive gripping pads secure the drum. When the drum is lowered to the ground, the carriage drops down, automatically locking the drum lifter in an open position, ready for another drum. Use on steel drums with a top lip or chime. Not for use with open head drums.

KEY FEATURES

- Vertical drum lifter provides for easy lifting and transporting of drums
- Positive gripping pads secure the drum for maximum efficiency
- Features durable construction for added strength and long life
- Use in industrial applications for optimal results
