Brass Horizontal Drum Vent Fits 30 & 55 Gallon Drum Capacity Gold

MODEL VENT-H

Drum Handling Equipment / Drum Vents

PRODUCT OVERVIEW

Drum vent available for use with drums in horizontal position. Use with standard drum plug openings. Each vent includes a flash arrestor for safety. Vacuum relief is obtained by lifting and rotating valve stem. Fusible emergency relief plug will melt, venting pressure and preventing drum rupture in case of fire. FM approved.

KEY FEATURES

- Drum vent available for use with drums in horizontal position
- Ideal for standard drum plug openings for ideal operation
- Features durable construction for added strength and long life
- Use in industrial applications for optimal results
