Steel Heavy-Duty U Shape Platform Scale 6,000 Lb. Capacity Blue

MODEL VPU-6

Packaging Equipment / U Shaped Platform Scales

PRODUCT OVERVIEW

The "U" shaped platform scale is constructed of heavy-duty steel to withstand the most demanding industrial environments. This U-frame scale is designed specially to handle pallets, and is easy to move and store. Ideal for moving around the work place where there is not enough room for a fixed scale. Scale is suitable for weighing in a warehouse, storehouse or general use. The scale is light weight and can be easily moved by one person with its two (2) wheels and handle. The scale comes equipped with four (4) heavy duty load cells and a deluxe indicator head. Accuracy is +/-0.1% of the applied load.

KEY FEATURES

- Heavy duty steel withstands demanding industrial environments
- U-frame scale design specifically handles pallets
- Two wheel and handle design is easily moved by one person
- Four sensor design accurately reads weights
