Steel Hitch Mounted Truck Jib Crane 47-1/2 In. Reach 600 Lb. Capacity Black

MODEL WTJ-HITCH

Overhead Lifting / Hitch-Mounted Truck Jib Crane

PRODUCT OVERVIEW

The hitch mounted Jib crane is ideal for on location operations, as well as, common secure transference of goods. The unit features a manual hand brake winch with cable and lifting hook for safe transporting. The welded steel construction with a powder coat black finish is durable and strong in the harshest of conditions. The offset design allows for full use of tailgate while winch is in operation. Unit is designed for vertical lifting only.

KEY FEATURES

- Hitch mounted jib crane is for on location operations and common secure transference of goods
- Includes a manual hand brake winch with cable and lifting hook for safe transporting
- Features durable construction for added strength and long life
- Offset design allows for full use of tailgate while winch is in operation
